These instructions are specific to the State of Colorado in which this purchase has been made. Qualifying for an exemption may be different for each local jurisdiction, and these instructions are not intended to set forth the requirements of any local jurisdiction.

## General Instructions

### Purpose of Form

This form is used to certify to sellers that a purchase qualifies for exemption under Title 39, Article 26 of the Colorado Revised Statutes.

**For Sellers**, accepting and keeping this document helps you get correct information about the purchaser, which helps you prove this is an exempt sale during a tax audit.

**For Purchasers**, completing this document and giving it to a seller helps to speed up your purchase process.

### Reminders

Furnish to seller. This form should be furnished to the seller charging the tax. Do not send this form to the State of Colorado. This form is not for organizations to request certification of their tax exempt status.

**Direct payment required.** Purchases must be billed to and paid directly by the funds of the organization or agency in order to qualify for exemption. Payment in cash (without a purchase order) or by personal check or personal credit card disqualifies a purchase from exemption even if the purchaser is subsequently reimbursed. Purchases made on credit cards issued by the organization, but where the cardholder receives and pays the bill and is subsequently reimbursed, also do not qualify for exemption.

**Reimbursement disqualifies exemption.** If the organization or agency will be reimbursed, in whole or in part, the purchase is disqualified from exemption. For example, the purchase of food for a banquet for which the organization sells tickets as a fundraiser would not qualify for exemption.

**Disputed tax must be collected.** If there is a dispute between the purchaser and the seller as to whether tax applies, the seller that collects the tax must give the purchaser a receipt showing the tax collected. The purchaser may apply to the applicable municipality directly for a refund by filing a Claim for Refund form along with the appropriate documentation.

**Signature required.** The individual making the purchase must sign and date the form at the bottom. A separate affidavit is required for each transaction. General purchaser or store information may be completed in advance and kept on file by the seller or purchaser for ease of use.

## Purchaser Instructions

**Purchase details.** Identify the accurate qualified exemption reason and complete the required information for that exemption.

**Purchaser information.** Print the legal name of the organization or agency. Governmental agencies should include both the name of the government and the department or agency, for example, US Department of Transportation, Colorado Department of Education, or Adams County Human Services. Abbreviations such as "Dept." are acceptable but do not use acronyms. List the organization's or agency's mailing address, municipality, state, and zip code.

**Declaration of affiant.** The individual making the purchase on behalf of the exempt organization or agency (the affiant) must complete the declaration.

**Separate form required.** A separate affidavit is required for each transaction. For ease of use, Purchase Details and Purchaser Information may be completed in advance and the partially completed form kept on file by the purchaser for completion at time of each transaction.

**Signature.** You are swearing, under penalty of perjury, to the accuracy of the statements made in this affidavit. Carefully read and ensure that you understand each item before signing this affidavit. After reviewing the form for accuracy, sign and date the form. Furnish this form to the seller. Do not send a copy to the State of Colorado.

## Seller Instructions

**Sellers have the burden of proving that a transaction was properly exempted.** If an exemption is subsequently disallowed by the State of Colorado, you (the seller) could be liable for the tax plus penalties and interest. This form is provided to help you determine if a sale qualifies for exemption. The sale is not exempt from taxes simply because this affidavit is completed. The responsibility for proper collection of taxes remains with the seller. You are encouraged to obtain this form for each transaction and complete all of the information in the lower *Seller Verification* section.

# Instructions for State of Colorado Affidavit of Exempt Sale

(continued)

These instructions are specific to the State of Colorado in which this purchase has been made. Qualifying for an exemption may be different for each local jurisdiction, and these instructions are not intended to set forth the requirements of any local jurisdiction.

**Resale/Wholesale transactions** – To qualify as an exempt purchase for resale or wholesale, the items purchased must be reasonably deemed to be for sale in the ordinary course of business of the purchaser. For resale/wholesale transactions the seller is required to not only collect the applicable license information, but to exercise sound judgment and a reasonable amount of skepticism to ensure the items purchased are reasonably for sale in the purchaser's ordinary course of business. For example, a restaurant would not be allowed to purchase dish soap for resale because restaurants do not sell dish soap in the ordinary course of business, but rather use the dish soap in the operation of the business.

**The affidavit needs to be completed in its entirety.** Be sure information is complete, accurate and legible. Review the information, and particularly verify that the driver license number and purchaser's name are correct. Also, be sure that the digits that are required from the credit cards are correct. Only record and keep those digits from the credit card that the affidavit requires. The signature of the purchaser should be the same as on the driver license.

**Sellers should review guidance on accepting government credit cards.** Not all cards qualify for exemption, even though they bear certain characteristics of exemption. See FYI Sales 63 for more information.

**Collection of this form does not provide a safe-harbor from disallowance by the State of Colorado.** Retain this form for at least 3 years.

## State of Colorado Specific Instructions

**Charitable & Religious Organizations** – The State of Colorado provides an exemption for organizations that have been certified exempt under 501(c)(3) of the Internal Revenue Code. A Certificate of Exemption is issued to the organization when granted exemption by the Colorado. A copy of the Certificate of Exemption should be retained with this completed Affidavit. For organizations located outside of Colorado, a copy of the letter from the IRS certifying exemption as a 501(c)(3) organization may be accepted in lieu of a State issued Certificate of Exemption. See FYI Sales 2 for more information.

**Government and Diplomatic Exemption** – Please see FYI Sales 63 for information related to government and diplomatic purchase exemptions.

**Wholesale/Resale Transactions** - A copy of the State Wholesale or Retail License should be retained with this completed affidavit. See FYI Sales 1 for more information.

**Out of State Exempt Entities** – This affidavit may be used by an out of state charitable organization or government entity as long as **both** of the following are met: Payment is made from the organization's funds and no reimbursement will be made to the organization through direct payment, collection or donation from any person(s) for the use or consumption of the goods or services; **and** The items or services purchased are used in conjunction with the organization's regular religious, charitable, educational or governmental activities. See FYI Sales 3 for more information.
